MADE IN ITALY

2010 COLLECTION

ALBUM EPOCA

COLLECTION

Bound with continuous pages, Album Epoca allows photos to be viewed and enjoyed without interruption in a format that enhances the photography and layout of the album in the best possible way.

The cover, traditionally made up of several elements including precious materials, is now also available in the new Continuous format, ideal for photographers choosing to offer their customers modern design at its finest.

Our newest designs feature a wide variety of covers including Plexiglass as well as other elegant materials.

Book styles have also been expanded with the 4:3 landscape version, creating a new graphic design direction for wedding albums.

In line with our goal of constant innovation and to keep pace with today's changing market, we have also introduced the Baby and Teen Collection.

ALBUM EPOCA CONCEPT

Album Epoca allows precious wedding memories to be shared with the most important guests including parents, members of the bridal party and friends.

One or more copies of the finished Album Epoca design can be requested in a variety of different photographic and offset materials and a range of sizes and binding styles.

WeddingAlbum

Available in numerous book styles and sizes, Album Epoca offers a wide variety of covers and unparalleled photo quality. This is due to our continuous page binding and the use of only the best photo papers.

FamilyAlbum

For the parents of the wedding couple, we create the finest photo albums printed on matte photographic paper. These albums are available with our original continuous page binding or in a new binding style with flexible pages.

BestFriendsBook

For dearest and closest friends, Album Epoca offers BestFriendsBook, printed in offset on gloss paper with a hard plastic-coated cover. This is the perfect gift for bridal party members and close friends who deserve truly special keepsake.

FriendsBook

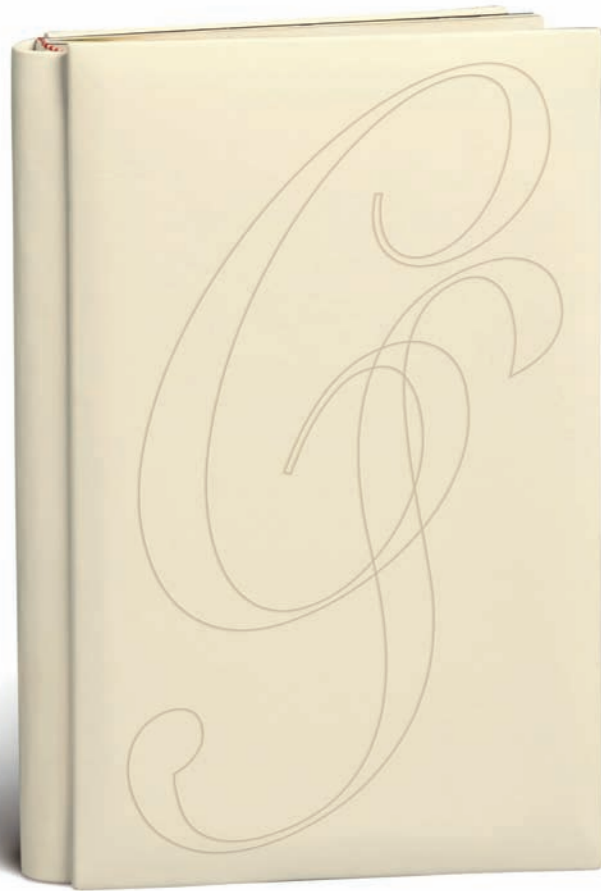

Printed in offset on gloss paper, and bound as a booklet with a soft personalized cover, this is the ideal choice for friends. These albums are available in several booklet styles.

MiniBook

An original wedding favor, MiniBook is an endearing album in miniature that can also be ordered separately and is suitable for any event. Printed in offset on gloss paper and bound as a booklet with a soft, personalized, plastic-coated cover, it can be ordered in multiples of 15 pieces.

ASSEMBLY OF ALBUM EPOCA COVERS

COMPOSITION COVERS

Composition cover albums consist of three parts (front, spine and back) that can be made from the same or different materials. These albums have been a hallmark of traditional Italian design for many years.

CONTINUOUS COVER WITH ROUNDED SPINE

The ultimate in modern, minimalist design. Albums with a continuous cover and rounded spine present a sleek, streamlined look without interruption where materials blend seamlessly to create an album of enormous appeal.

ALBUM EPOCA DECORATIONS

SWAROVSKI

Elegant crystals applied by hand to enhance the wedding album. Exclusively available as initials, making this special decoration truly unique. Swarovski crystals are available on Palm Beach, Cadaqués, Paris and Sankt Peterburg covers.

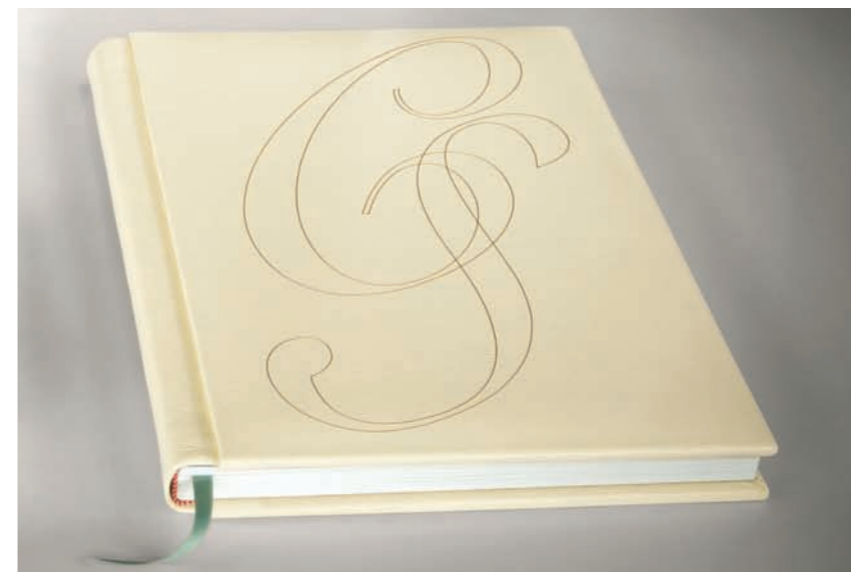

GOLD OR SILVER PAGE EDGING

A special decorative technique on page edgings to enhance and protect the beauty of the album for the bride and groom. Gilt or silver edgings are available only by request.

SATIN BOOKMARK

An elegant ornament in a beautiful fabric. Available in different colors for all covers. Bookmarks are included in all albums for the bride and groom.

LASER-ENGRAVED INITIALS

This exacting decorative technique can be used to engrave the wedding couple's initials on the album cover, enhancing it with fine craftsmanship and transforming it into a unique and exclusive object. Laser-engraved initials are available only on Capri covers.

EventBook

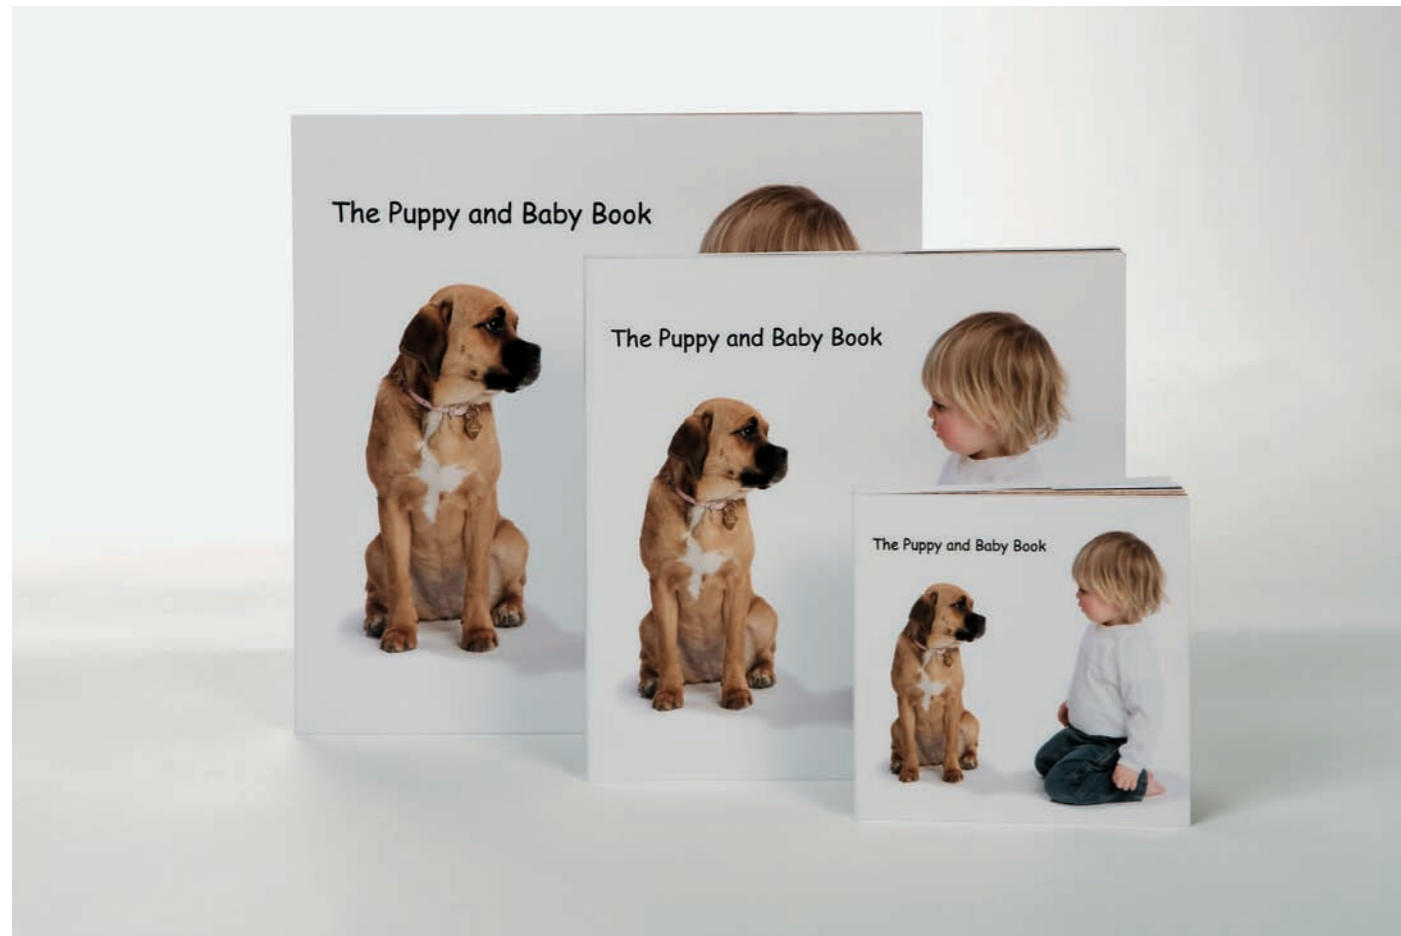

EventBook

This is a new photo book featuring a customized cover and special padding for a unique appeal. Available in two versions - offset-printed on gloss paper with UV glazing or printed on photographic paper and bound with flexible continuous pages - the EventBook is perfect for baptisms, first communions, confirmations, family portraits, still life, fashion, photo stories, sports, art and other events.

EventBook			
2:3	3:4	1:1	4:3
			
13x20 photographic only 15x22 offset only	15x20	15x15	20x15
20x30	20x27	20x20	27x20
		25x25	32x24
		30x30	

SIZES ARE IN CENTIMETERS AND MAY DIFFER SLIGHTLY FROM FINISHED ALBUMS.

CompatBook

CompatBook

An album printed entirely on photographic paper, Compat gives events the importance they deserve because of its high quality binding, rigid, continuous pages and careful handcrafting throughout. With anywhere from 10 to 40 sides, Compat offers a particularly slim look, with the cover printed on plastic-coated photographic paper. An excellent choice for both events and studio portraits.

CompatBook

CALENDARS AND PLANNERS

PLANNER

A planner (17.3 x 22 cm) with spiral binding and transparent PVC cover. 26 shots of the wedding couple during their first year of marriage make this planner truly unique.

CALENDAR

An elegant wall calendar with 12 spreads featuring photos from the wedding album.

CD VIEWER

The harmony and creativity of the album reproduced in an elegant slideshow for PC.
